

## CITY OF SOUTHAMPTON SWIMMING CLUB

### Policy for Economically Disadvantaged Persons

The City of Southampton Swimming Club is committed to being a fully inclusive club catering to all sections of the community. We understand that swimming can be an expensive sport and strive to keep costs as low as we possibly can. However we recognise that in some circumstances it is not always possible to continue with swimming due to financial circumstances.

The City of Southampton Swimming Club seeks to address this by offering in exceptional circumstances discounts of up to 50% on monthly training fees. Each application is assessed on its own merits by the Executive Committee.

Further information is available from the Chairman, Matt Bishop: [mbishop1@sky.com](mailto:mbishop1@sky.com)

Additionally the City of Southampton Swimming Club actively supports the Southampton City Council Sporting fees assistance scheme.
