

14. CONFIRMATION OF ENTRIES

This will be by Entry Lists posted on the South East Region web site as entries are processed. A final Entry List will be posted soon after the entry closing date.

15. DISPUTES

Any matters not provided for in these conditions shall be decided by the Promoter.

NOTES**PLEASE READ THESE NOTES CAREFULLY - THEY ARE INCLUDED TO HELP YOU COMPLETE YOUR ENTRY SUCCESSFULLY AND TO ENJOY THE MEET**

1. Please provide an email address, **PRINT IT CLEARLY IN CAPITAL LETTERS**. A contact telephone number should also be provided. These will only be used if there are any questions about your entry.
2. Overseas entrants – you can pay your entry fees on arrival at the pool; they must be paid before you swim. Confirmation of your entry will be sent by email, so ensure that you have supplied an email address.
3. The closing date for team entries is later than that for individual entries. Team entries will not be accepted on the day of the meet. Final Entry Lists will be put on the SER web site as soon after the individual entry closing date as possible to assist team managers in selecting their teams.
4. Teams must be declared on the day using the forms which will be available at the Masters Reception desk at the top of the stairs leading to the changing rooms. Team members' names will be required (together with the ASA Member ID of those not competing in individual events). Teams that are not declared will not be able to swim.
5. A team claiming a national or international record must comply with all the requirements of the record concerned. In order to make it easier for clubs to enter teams the conditions of this competition are not as stringent as they are for national and international records.
6. If you break either an individual or a relay record, please advise the referee as soon as possible after the swim so that the appropriate details and signatures can be obtained. Claiming a record after the meet may not be possible if the paperwork is not completed at the meet.
7. Please comply with the warm up arrangements and with any instructions given by the warm up marshals. **DIVING** is only permitted in the sprint lanes; **YOU MAY BE ASKED TO LEAVE THE WATER IF YOU DIVE INTO ANY OTHER LANE DURING THE WARM UP.**
8. This meet provides a comprehensive programme of events in three sessions. Please choose your events carefully, taking into account their proximity and allowing yourself sufficient recovery time between swims.
9. We have worked hard to make this event a success and for it to run smoothly and to time. Please co-operate by following the entry procedure given in this entry pack, and take particular care in calculating your entry fees. It takes much more effort to resolve problems than to avoid them. If you have any questions about this meet please contact Geoff Stokes, preferably by email; details below.
10. **Entries Lists** - Confirmation of acceptance of entries will not be sent. Entries Lists showing the accepted entries will be posted on the South East Region web site on a weekly basis and a final Entries List of individuals entered will appear as soon after the closing date as possible.

PROMOTERS NOTE

This meet has proved to be very popular and numbers of entrants have steadily increased year on year. If the meet appears to be oversubscribed the Promoter reserves the right to close the entries before the published closing date. Please get your entry in as early as you can to avoid disappointment.

ALL COMPETITORS MUST REGISTER ON THE SHEETS PROVIDED AT THE POOL BEFORE EACH SESSION TO INDICATE THE EVENTS THEY INTEND TO SWIM IN THAT SESSION.

Any updates to the meet arrangements will be published on the SER web site,

We hope that you will enjoy the competition and welcome any constructive comments to enable us to improve it in future years.
